Management and the Board of Directors  
Academy of Warren  
13943 East 8 Mile Rd  
Warren, MI 48089

We have completed our audit of the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Academy of Warren as of and for the year ended June 30, 2021, and have issued our report dated October 26, 2021. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America, and *Government Auditing Standards* and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated February 26, 2020. Professional standards also require that we communicate to you the following information related to our audit.

## Significant Audit Matters

### Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Academy are described in Note 1 of the financial statements. The Academy has adopted the following Governmental Accounting Standards Board Statements effective July 1, 2020:

- Statement No. 84, *Fiduciary Activities* improves the guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported. The criteria generally is on (1) is the government controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. The four fiduciary funds that should be reported, if applicable: (1) pension (and other employee benefit) trust funds, (2) investment trust funds, (3) private-purpose trust funds, and (4) custodial funds. Custodial funds generally will report fiduciary activities that are not held in a trust or similar arrangement that meets specific criteria.

We noted no transactions entered into by the Academy during the year where there is lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statement in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the Academy's financial statements was:

- The useful lives of its capital assets. Useful lives are estimated based on the expected length of time during which the asset is able to deliver a given level of service.

We evaluated the key factors and assumptions used to develop these estimates in determining that they are reasonable in relation to the financial statements taken as a whole and free from bias.

The financial statement disclosures are neutral, consistent, and clear.

## **Accounting Standards and Regulatory Updates**

### **Accounting Standards**

The Governmental Accounting Standards Board has released additional Statements. Details regarding these Statements are described in Note 1 of the financial statements.

The Academy is evaluating the impact the above pronouncements will have on its financial reporting.

### **Difficulties Encountered in Performing the Audit**

We encountered no significant difficulties in dealing with management in performing and completing our audit.

### **Corrected and Uncorrected Misstatements**

Professional standards require that the auditor accumulate all known and likely misstatements identified during the audit, other than those the auditor believes to be trivial, and communicate them to the appropriate level of management. There were no known misstatements detected as a result of audit procedures that were more than trivial.

There were no known uncorrected misstatements that were more than trivial.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditors' report. We are pleased to report we had no such disagreements with management during the audit.

### **Management Representations**

We have requested certain representations from management that are included in the management representation letter dated as of the date of the audit report.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Academy's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### **Other Audit Findings or Issues**

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Academy's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

## **Emphasis of Matters in Independent Auditors' Report**

Our report will include the following emphasis of matter paragraph:

### **Adoption of New Accounting Standards**

As described in Note 1 to the financial statements, during the year ended June 30, 2021, the School District adopted GASB Statement No. 84, Fiduciary Activities. Our opinions are not modified with respect to this matter.

## **Other Reports**

Other information that is required to be reported to you is included in the: Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditors' Report on Compliance For Each Major Federal Program; Independent Auditors' Report on Internal Control Over Compliance; Independent Auditors' Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance; and the Schedule of Findings and Questioned Costs. Please read all information included in those reports to ensure you are aware of relevant information.

## **Report on Required Supplementary Information**

We applied certain limited procedures to management's discussion and analysis and the remaining required supplementary information (RSI) as described in the table of contents of the financial statements that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

## **Report on Other Supplementary Information**

With respect to the other supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

## **Restriction on Use**

This information is intended solely for the information and use of management, the Board of Directors, and others within the Academy, and is not intended to be, and should not be, used by anyone other than these specified parties.
