Dear Parents,

On behalf of the staff at Academy of Warren, it is our pleasure and honor to welcome you to the 2021-22 school year. We all know the past year has been difficult and trying. We look forward with optimism to a productive and exciting year as we work to help our students reach their highest potential.

To achieve this goal, requires a partnership and support from home and school. As a staff, we understand our obligation to provide the highest standards of professionalism and excellence. As partners, we have a shared responsibility to foster success for our children.

Academy of Warren has undergone major changes. Our campus has been updated, modified, and improved to provide our children with state-of-the-art facilities and first-class learning opportunities. We have added new classrooms, media center, a new playground, and sports dome. These changes are meant to give our children the best opportunities possible for success academically and socially.

Parents...we need you! Please consider joining our school parent association as our students will greatly benefit from your involvement and contributions to our school. We will have virtual parent orientation on the following dates :

Date	Grades	Time
August 24	K-2	1-2 pm
August 24	3-5	3-4 pm
August 25 Session I	6-8	1-2 pm

It is very important that you and your child are fully informed about school policies and procedures. We look forward to seeing you at orientation. We are thankful you have chosen to be part of the Academy of Warren family. We look forward to seeing you soon!

Sincerely,
